To all players, coaches, managers, family members and friends,

Today's presentation signals an end to a successful 2007/08 season, the 11th in the club's proud history. Once again the club was able to submit teams in all 6 junior age groups and 5 senior grade teams. This year the club also became a registered "Milo Have-A-Go" centre for the first time.

Bligh Park again this season was one of the largest clubs in the district. This I believe is the efforts of the committee, coaches and members of the club to foster the development of junior cricket and maintain a sound junior base. This season the club has been blessed with a wealth of outstanding junior cricketers, with all teams boasting district representative players and many others unlucky to miss out. Many also stepping up and playing in the senior grades.

This season saw all of our Junior teams make the semi finals, an outstanding achievement that we all should be proud of. Our under 10's although they don't play a finals series would have no doubt finished on top, only losing two of their games throughout the season. Our U11's finished 2nd at the end of the regular season, U12's finished 3rd and U13's finished 4th.

Our U14's and U16's went on to represent the club in their respective grand finals. Our U14's after a shaky start showed plenty of determination in winning back to back grand finals and unfortunately the U16's did not have the same success, going down in their grand final.

This season has seen many people volunteer their time and efforts into helping make this club become a successful one. Special thanks goes to Brett Egan for co-coordinating our "Milo have a Go" program along with Mitchell Dray and Daniel Magner from our U16's and Ben Conolly from U14's who assisted him.

Our coaches

Under 11's	Melissa Van Der Reyden and Sam Belcastro		
Under 12's	Brett Egan	Under 13's	Steve Winters

On behalf of the club I would personally like to thank all of you for your time and efforts this season. I would also like to take this opportunity to thank the committee for their efforts in making a successful season. To all the scorers and managers for the teams, parents and guardians, family and friends and especially the players that have made this season an enjoyable and successful one. The club is extremely proud that you have chosen Bligh Park as your club and hope to see you all back next season.

Regards
David Dray
President.

Trophy Policy

Bligh Park Cricket Club has for a number of years by policy shared the three major trophies among the top three recipients. The three major trophies are:

- Point Score
- Batting Average
- Bowling Average

As often happens, a team has a certain special individual, who manages to achieve the best in all three categories. In recognition that cricket is a team sport, these trophies are shared, with no one person winning multiple of those awards. Simply the next best eligible player receives the specific reward. The policy exists for the Under 10's through to and including the Under 14's.

The aggregate awards are omitted from this policy and are awarded to the actual winner. Bligh Park Cricket Club feels this is both fair to the team and to the award winners and emphasises BPCC's team philosophy.

The qualification of the awards are in line with the HDCA award policy, but with a modified (lower) cut-off factor for runs scored or wickets taken:

- ❑ Applicable to all age-groups:
 - Must have played in more than half of the matches
- ❑ Under 10's:
 - Batting: Greater than 100 runs scored
 - Bowling: More than 8 wickets taken
- ❑ Under 11's to Under 16's
 - Batting: Greater than 120 runs scored
 - Bowling: More than 10 wickets

❖ If no-one is eligible, then it is awarded in order of the highest wicket taker or scorer of runs.

UNDER 10's SEASON 2007-08 TEAM REPORT

It was our first year as coaches and we had no idea what to expect. Rocking up at the first training session we had no idea who was in the team if any of them had played before and what we were going to do. We were lucky enough to find a great bunch of kids and after just the first training session we knew the team had a lot of potential and had the ability to be a champion team. In saying that, it was still our job to teach these kids the fundamentals of cricket and to make sure the team was always learning in a fun and interesting way. Most importantly it was our job to make sure the kids were having fun. As coaches we tried to teach them the basics of batting, bowling and fielding. Boy could they field. I don't think we will ever forget the run-out we witnessed down at Bounty when a certain player threw down the stumps from the boundary.

Every single player should feel so proud of his or her achievements. Everyone this year tried their hardest and as coaches that's all we could ask for. We are so happy for the way they played and trained and we always looked forward to going to training and watching them play. They truly are a champion team.

We would never have been able to do this by ourselves, so we would like to say thank you to all the parents who gave up their time to take the kids to training and games. We'd also thank you also for being more than happy to score and umpire or even just taking the kit to training and the games for us.

Thankyou
Mitchell Dray & Daniel Magner

UNDER 10's SEASON 2007-2008 PLAYER PROFILE

Bethany Adam

Bethany was the only girl in the team this season but that didn't stop her showing up some of the boys (Mark). Bethany was excellent with the ball, taking 11 wickets but also taking a couple of good sharp catches. Well done Bethany.

Mark Adam

Mark was probably one of the sensible batters in the team who would always turn the strike over to other batters but also protecting his wicket very well. He also went great with the ball and the gloves, taking 6 wickets bowling and a catch and a stumping as wicket-keeper. Well Done Mark.

Timothy Everingham

Tim was a great asset to the team this year, turning up to training enthusiastic to train all the time and same on game day. Tim this season was great another great bowler in the team taking 9 wickets, which was mostly bowled out. Keep up the good work.

Blake Flood

Blake was another great asset to the team this year. He always did as he was asked and always tried his hardest. He always put up a good fight with the bat and never gave up his wicket easily. Well-Done Blake.

Brayden Hall

This year Brayden was excellent with the ball, taking 11 wickets with an average of 5.18, which is a terrific effort. He achieved this result with his hard work at training and never giving up. Well done Blake.

James Henry

What can we say about our upcoming 'Gilchrist'. James is a left-handed explosive batsman who was never afraid of the bowlers, smashing boundary after boundary. James scored a total of 180 runs with an average of 60.00 runs, which is an outstanding effort for his first season. He also has the biggest throw you will ever see from an under 10, pegging down the stumps from the boundary. He is a promising young batsman. Keep up the hard work.

Reece Lipowicz

Well Reece was probably the best ever spin bowler we've ever seen bowling his leg spin. Reece often confused the batters with the loop on the ball coming down and spinning nearly at right angles. Well done Reece.

Jeremy McFadden

Jeremy was probably one of the quieter kids in the team but he was also one who would always try his best at everything asked. He was also another of our fast bowlers in the team taking 11 wickets with an average of 5.82 which is another great effort. Keep up the good work Jeremy.

Harrison Ridgewell

Harrison was probably the 'Andrew Symonds' of the team, being good with both the bat and the ball. He also brought life to the team making it fun and exciting. Harrison was also selected in the Under 10's Hawkesbury team which was good because he could also help others in the team when needed. He has a good cricket brain and is a promising all rounder in the future. Well-Done Harrison.

Bradley Ryan

Brad was another fast bowler in the team taking 10 wickets for the season which gave him a bowling average of 5.50 runs per wicket, which is an extraordinary effort. He also had a great set of hands in the field stopping anything that came towards him no matter how hard it was coming. Keep up the good work.

Jordon Sparks

Jordan was new to the game and was ready to play cricket. On day one, he had a bit of trouble with his bowling but that certainly improved each week as the season went along. He never gave up at any time and always tried his hardest at everything. He was also very good at keeping out the fast bowlers and never throwing his wicket away. Keep up the hard work Jordon.

Harrison Tinker

Well Harrison was a lot like me (Mitchell) when I started cricket, only just standing taller than the stumps. But this didn't stop him from backing away from the ball and getting in behind it. He was also another great bowler in the team taking 8 wickets and bowling 9 maidens, which was a great effort. He also took three catches in the field and didn't let the ball past him no matter what. Well-Done Harrison.

UNDER 11's SEASON 2007-08 TEAM REPORT

Firstly I would like to congratulate the side for making my first season as coach a pleasure. Every player in the side helped to contribute to getting into the semi finals. I would like to thank everyone for making my first season of coaching a very enjoyable one.

I would also like to thank the parents for all the time they have put in to getting the kids to training and the games this season.

Also thankyou to our assistant coach Sam your efforts this season are greatly appreciated.

Thankyou,
Mel VanderReyden

Mitchell Avellino

Mitchell is a type of player that was always enthusiastic about playing and was always happy to do whatever was asked of him. His cricket improved throughout the season with a high score of 12 and some tight bowling with figures of 1 for 3 of 2 overs and 1 for 4 of 3 overs.

Jarad Brett

Jarad played an excellent in our side this year. He always concentrated at training and always tried his best in games. His batting improved a lot throughout the season with scores of 13 and 16 and he could always be relied upon to keep the bowling tight.

Aiden Burke

Aiden is a great all rounder and team player. Aiden's batting was very impressive with scores of 16, 12 and a retirement on 20. Aiden was great to coach and a pleasure to have on the team.

Brendan Dorler

Brendan worked really hard all of this season, he was always trying hard at training to make improvements and his effort paid off with his bowling improving out of site ending up with figures of 2 for 9 off 3 and 1 for 1 off 1.

Christopher Elvy

Chris is a very enthusiastic player and his love for the game showed as he put his best efforts into the games and encouraged his team mates. Chris's bowling was his strong point with great figures of 3 for 4 off 3 overs against Wilberforce.

Jarrold Gorman

Jarrold is the sort of player that every coach wants on their team. He always tried his best whether it was at training or in a game. Jarrold is a very talented young cricketer in all areas of the game which was demonstrated all year with two retirements in the season. Jarrold could also be counted on to take a few quick wickets and had the safest pair of hands I have seen for someone his age taking some brilliant catches.

Cooper Kwok

Cooper is another very talented young cricketer. He was selected in the u/10's representative side. Cooper was the leading wicket taker for our side taking an amazing 18 wickets all season. His best bowling figures were 5 for 1 off 3 overs. Cooper's bowling is sure to keep on improving with age.

Alice Niuala

Alice played a vital role in the teams success this year. Her bowling batting and fielding are all very strong. Alice always strived to improve her game. Alice is a hard hitter of the ball which saw her being retired 3 times with a high score of 33 not out. Alice was also a great taking 7 catches throughout the season.

Benson Niuala

Benson was great to have in our side this season. He opened the bowling on many occasions and always did what was needed of him. Benson was one of our most relied upon bowlers and always kept the bowling tight with best figures of 2 for 13 off 5 and 2 for 6 off 5 overs.

Adam Worsley

Adam was the captain of our side and he did a fantastic job. Adam is an extremely talented young cricketer in all aspects of the game. Not only was Adam a great bowler, batter and fielder he also kept. Adams efforts saw him with being retired 7 times with high scores of 48 and 47, taking 7 wickets and 13 catches for the season. Adam is destined to go a long way with his cricket.

Nathan Young

Nathan had a great season. He is great team player and always gave his very best. Nathan truly was a pleasure to coach this year. Nathan's accurate bowling saw him with bowling figures of 1 for 1 off 3 overs and 1 for 7 off 3 overs.

UNDER 12's SEASON 2007-08 TEAM REPORT

This was a great year of outstanding cricket from the under 12's. The boys showed this year that they could mix it with any opposition, beating each team at least once in the season. I would like to congratulate all the team on making it to the semi finals.

Thank you again this year to all the parents; cricket is a big family commitment. Your help, enthusiasm, encouragement and praise you give the kids are priceless. I would like to personally thank Mark Tynan for all of his coaching assistance over the season.

This year I saw the boys mature as individuals. It was excellent to see the different abilities in each player develop. Most of all I am so proud of their commitment to the "Spirit of Cricket" as Cricket Australia encourages this. The players are always encouraging and supporting each other, no matter what the game status is.

I look forward to seeing the boys in the future; they have bright and exciting futures ahead of them.

Thankyou,
Brett Egan
U12's Coach 2007-08 season.

UNDER 12'S SEASON 2007-08 PLAYERS PROFILE

Matthew North

Well renowned for his title of "Mr Cricket". Matt is better than a room full of motivational presenters. Matt's enthusiasm and self drive are second to none. He rallies the troops when they are a bit down, needless to say the team lifts quickly. Matt's bowling really improved this year, with stinging pace and punishing bounce. A reliable top order batsman who is ready to face the fast strike bowlers. Matt's fielding abilities are outstanding; he grabbed even half a chance. Thankyou Matt.

Josh Kowk

Josh's selection in the HDCA district under 11's team was an excellent achievement. He showed great ability to captain the team, to read the game and set the field positions accordingly. Josh is one of our strike bowlers, he has an accurate bowling attack with the ability to take wickets when the pressure is on. The boys really looked to him in the field and with the bowling. Josh worked very hard on his batting this season, learning new skills in using his wrists and working the ball through the gaps in the field. Excellent effort Josh.

Jacob Kirk

Jacob joined our team this year and it was his first year of club cricket. Jacob is always enthusiastic playing his cricket. He is a very fast bowler with the ability that will in time and practice become a premier attack bowler. Very fast in the field, Jacob would never let a ball through him. Jacob has the rare ability to field in any position and perform very well. Great work Jacob.

Levi Tynan

Levi had a reinvention of his left arm fast bowling this season. He worked hard on his new action and the results showed. I was impressed to see his perseverance when his season started. His batting this season has matured to ability beyond his age. Levi built many match-winning partnerships, realising that is what wins cricket matches. I have also given him responsibility in captaincy. He is a thinking cricketer with good ability to read the status of the game. Levi is an excellent all round player, well deserving of the point score trophy this season. Congratulations Levi.

Jake Bayssari

Jake is our hard working cricket player. Tall and strong he is never intimidated by any opposition. Jake's bowling improved very well this season, he was able to frustrate batsmen with his efforts. Jake loves having a bat and didn't mind hitting the ball to the boundary. He has a good ability to take difficult catches. Jake enjoys a laugh with the boys and is a great character to have on the team. Good work Jake.

Chris Gorman

Chris moved from the Penrith district cricket to our team this year. Chris is a quite achiever, batting with great patience and frustrating the opposition bowlers. Chris likes working hard at all parts of his game and did well taking wickets when bowling. Chris fitted into his new team very well and enjoyed backing up for rugby league in winter with team mates from cricket. Great effort Chris.

Mason Reely

Mason is improved outstanding in the field this season. He took some difficult catches and wasn't afraid to put his body on the line to stop a run. Mason has a powerful batting stance with a punishing pull shot. A relaxed cool head gives him the ability to not panic during the game. Mason enjoys his cricket. Well done Mason.

Timm Turner

Timm's selection in the HDCA district under 11's team was an excellent achievement. Timm and I have a running joke about taking it easy when he first arrives at the crease to bat. Timm sees this as an opportunity to play himself in with a few fours before he starts hitting sixes. An outstanding powerful batsman, Timm has improved his defence this year. Timm also shared the captaincy and is very sharp in the field. His left arm flighted balling has been an extra hidden weapon we could use. Excellent effort Timm.

Reese Jones

Reese has a powerful batting ability and enjoys flailing the willow. Reese batted some excellent innings this season, showing maturity beyond his age. Reese is an agile wicket keeper with no fear of the fast bowlers. Reese has powerful fielding abilities so it was hard to choose him as wicket keeper or fielder. Reese was one of hardest workers of his bowling at training in the nets. His bowling gave the team extra strength. Great cricket Reese.

Nathan Egan

Nathan's selection in the HDCA district under 11's team was an excellent achievement. Nathan has a nagging line and length with a wicket taking in- swinging delivery. His bowling causes even the seasoned batsmen to think twice about their shot selection. Nathan worked hard on his batting creating some good partnerships. He is working on a good change up outswinger for next season. Look out opposition batsmen. Good work Nathan.

Tully McPherson

Tully continued this year with his very handy leg spin bowling attack. He worked hard this year on the wrong'un delivery which captured him wickets. Tully is one of the few young players I have seen who can consistently turn the ball with accurate bowling. Tully's batting improved very well with excellent partnerships and ground stroke play. Keep up the good work Tully.

Dominic Tynan

Dominic has been the most consistent explosive young batsman I have ever watched. As a left-handed batsman he really enjoys punishing the bowler with his powerful pull shot. Dominic is the quite achiever in the bowling dept. He is our youngest player with an outstanding ability to bowl consistent line and length. Well deserving of every wicket he has taken. Dominic great effort.

Blake Robertson

Our wicket keeping, batsmen and off spin bowler. Blake is a natural sportsman. He has a powerful left hand batting style, making runs look simple. Blake really lifted as wicket keeper this year, performing to a level, which seems to give us an extra fieldsman. Blake's bowling strength is in variation, having an amazing ball that turns the wrong way for an off spinner is very handy in U12's. Keep on working hard Blake.

UNDER 13's SEASON 2007-08 TEAM REPORT

Team Sponsor -  **Parravans**
CARAVAN WORLD

2007-08 was a real mixed season for the boys, they had some not so good games and some excellent games, they found being consistent not so easy. They worked and trained hard but things do not always work out the way you want, this cricket, this is life but it is how you pick yourself up and keep going that is important.

The Under 13's made the semi-finals and came up against the team that has won the competition for the last 2 years and is full of "name" players. The under 13's showed what they were made of and pushed that team right to the limit in an excellent game of cricket that everyone on the edge of their seats. I was, as I am sure all their parents were very proud of the way the way they played their cricket – it was a great way to finish the season. Importantly all the boys should be very proud of themselves and the sportsmanship they showed.

The cricket is getting harder each year with the speed, power and skills changing the game from being played by boys to that of young men and each team they play giving nothing away. Our bowling and fielding efforts were certainly our strong points as the team stats showed, but our batting was at times consistently inconsistent but in each and every game they gave 100% that's all that is ever asked.

The boys attitude to their cricket and in fact life is excellent, they are all full of enthusiasm and youthfulness and really have a great sense of fun and enjoyment and are great and challenging to be around.

Many thanks to the Parents who helped out in scoring, training and whatever was needed at the time, it was a great help. Also, I applaud the attitude of support that you showed not only to all our players but also the other teams. Thanks again to Steve Edwards (Parravans) for sponsoring the team.

Ankie, Brad and Cameron, the first timers to cricket came along way showing great team spirit and drive to succeed and do well in their batting & bowling which they did.

Into their second season Nick, Mitchell and Sam showed the benefits of the previous season and even when things became hard could still come out giving their all and achieve excellent personal results in batting bowling and fielding.

Seasoned campaigners Kris, Robbie, Luke, Hayden, Alex and Dan kept the team moving along with their presence and always guarded their wickets with pride and bowled with their hearts. They were keys players the other teams tried to get out or get on top of wether they were batting or bowling.

UNDER 14's SEASON 2007-08 TEAM REPORT

This year the under 14's stepped up and really showed how strong a team they are. We played this season with just 11 players and were down one of our strongest performers from previous seasons, and yet despite being told by our opposition teams that we wouldn't cope, the boys pulled together for a fantastic year and showed what teamwork really is. This year saw all of the boys put their hand up at some stage, and the result was that we lost just two games for the season. The boys were really motivated to try and achieve the special feat of back to back premierships, and I am proud to say that they accomplished this in style.

I would like to acknowledge the huge effort put into this team by all of the parents who have offered consistent support for the team and club for many seasons now. In particular I would like to thank Glen Corcoran for all the effort that he has put in, as I rang him most weeks from Bathurst needing something done! Glen your time and effort is greatly appreciated. Similarly thanks to Steve Magner, Daniel Magner and Mitchell Dray who have helped me out through the year. Thank you also to Nicholas Cowley who filled in for us in a couple of games while we were short, you did a terrific job and really performed well against the older boys. Congratulations everyone on a fantastic season, I look forward to seeing you all again next year.

Well done team,

Joe Conolly

Hayden Cole

Hayden had a terrific season. His batting improved again and his bowling was about ten levels above last year! Hayden developed a lot of maturity as a player as well and is a valued asset of this team because of his commitment and leadership.

Ben Conolly

Ben improved his consistency across the board this year and became a regular contributor to team success. His reliability with the bat and knack for taking wickets at the right time ensured that the team never felt that a game was out of reach.

Jason Corcoran

Jason has proven yet again that he is without a doubt the best young spinner of his age that I have seen. His control and attacking ability are superb and an asset to the team, and his batting developed a lot this year as he learned how to stay at the crease for longer periods of time. Jason will benefit from the turf wickets of the under 16's and will be close to unplayable.

Jarred Coull

Jarred had an outstanding season with both bat and ball and completely justified his selection in the rep side. He continues to improve and while his bowling is knocking over top order batsmen his big hitting batting is turning games in overs. Jarred deserves all the praise he gets.

Cameron Davis

Cam worked hard again this year and achieved some terrific results to show for it. As always, his attitude and team spirit have made him a welcome member of the team, and he has a positive influence on all those around him.

Corey Dimech

Corey was a new member to our team this year and he made a fantastic start and kept it up the whole year. His friendliness and team spirit ensured that he fitted right in with the rest of the boys, and his hand eye coordination make him a very dangerous player. With another year of cricket Corey will continue to get better and better.

Jacob Magner

Jacob worked hard this year and his game has benefited from it. What impresses most about Jacob is his accurate and pressure building bowling. Jacob can bowl maidens when they are needed and that is a rare skill to have.

Justin Rebel

Justin impressed again this year as his batting got better again, and he has his first 50 to show for it! His keeping also came on nicely and his work in the finals represents that.

Leif Stuart

Leif focused well this year and continued his impressive ability with the bat. At the end of the season though it was Leif's new ball bowling that stood out. His ability to swing the ball has undone several quality batsmen, including a great wicket in the grand final.

Brendan Sweeney

Brendan's all round game continues to grow and shine. He is a quality batsman, a fast and accurate bowler who swings the new ball, and a sharp fieldsman. If Brendan continues to work hard he can play quite high levels of cricket.

Lachlan Wassall

Lachlan is the guy that every team needs. He puts effort in every week and stands up when it matters most. Lachlan's best performances come under pressure when the team really needs it and he always makes it look easy.

UNDER 16's SEASON 2007-08 TEAM REPORT

Team Sponsor - *Outwest Furniture & Bedding Specialists*

As someone that has seen these boys grow up and play cricket since Under 10's it is hard to believe that season 2007/08 was the last junior season for the majority of these boys. David Dray was their coach until this season and he played a major role again this year. It is David who has moulded these boys into who they are. Our season was one in which I felt we could have done anything. We made the grand final but were unlucky not to bring it home. We really did not have anybody who was the star this year but what we did have was everybody pulling their weight working hard for the team. This was shown with the results that came our way this year. We had a great start to the season winning our first 4 games and that helped us get to where we did. Our side this year I felt was really balanced and we were strong with both bat and ball. For the boys who are leaving us finishing their junior cricket I wish them well and hope that they stay with the club and move into senior cricket. I would like to say a very big thank you to David Dray who has coached the boys from under 10s to 16s it's a shame we could not win the premiership for you but thank you for all of your time and effort over all those years

Joel Tynan- A talented batter who trained hard and played harder. Was a bit unlucky with the ball but had some great knocks with the bat.

Charlie Woodhouse - Good bat and had a good stint as a real attacking captain. Showed great leadership qualities this year I hope he stays and plays seniors as he would bring a lot to any team

Chris Smith - Came to us this year and fitted in really well. Chris added another piece to the BPCC chain. A good player - hard to get away with the ball in hand as well a solid batter.

Luke Rogan- Mr fitness and the player all coaches want to have. If you need a big area covered Lukes your man. Can turn any run into 2.

Matt Gooley - What do I say, Matt is Matt. Just about got the complete game. Was a real leader among the boys and spent the majority of the season as captain.

Paul Gooley - Paul added a lot to our team this year with some fierce bowling and big hitting. A talented player who should excel with the bat next season.

Pat Lawrence - Pat really bowled well for us and was a real attacking bowler who could intimidate almost any batter. Glad to have had him on our side.

Josh Dickie - AKA Forrest. Josh matured a lot this year and his confidence grew a great deal. This was showed all over the park taking some good catches and holding up an end when it was required.

Mitchell Dray - "Golden Arm" one of our spin twins. Mitch bowled well for us this year and is also a talented keeper and had some more than handy knocks with the bat.

David Adams - Great spin bowler! David is one of the best junior spin bowlers that I have seen. If David works more on his batting he will go places with his cricket.

Louis Butler- Louis showed his skills behind the stumps this year sharing wicket keeping with Mitch. Louis is a good, stable, solid bat and will be really good for us next season.

Dan Magner - Jumped out of the blocks and let everyone know that he was around had a really good season this year and will only build on that. Good opener, better bat.

Lastly I would like to say a very big thank you to all the parents who over all those years have given up a lot of time for the boys to play cricket. Thank you. I would like to say a very big thank you to all the people who helped out with the scoring this season:

Kim
Adele
Allan
Jim

You made my job easier and I thank you for that.

Thanks again
